Amniofix Disclaimer

Print Patient Name: _____ DOB: _____

Amniofix is a biological amniotic membrane allograft. It is a patented and patent pending product. Therefore, it is still new to the market. Amniofix is still considered an off labeled use to provide for patients for foot and ankle care. We will bill this product out to your insurance to help notify them of Amniofix's use and need in the nation for patient care, overall. At this stage of processing it will most likely be denied. Aurora foot and Ankle will then be billing the balance to the patients as a cash service.

Amniofix 20mg will bill out or be charged to patients in the amount of \$300.

Amniofix 40mg will bill out or be charged to patients in the amount of \$400.

(If covered by insurance, then the patient will be balance billed as normal.)

By signing this notice the patient understands that Aurora Foot and Ankle will bill out the Amniofix to help aide the products use in the nation; however, it will most likely be denied and that balance will be the patient's responsibility in full.

I accept the **financial responsibility** of receiving Amniofix as an off labeled use for my foot and/or ankle treatment.
